NNT 2015 - International Conference on Nanoimprint and Nanoprint Technologies

Event - NNT 2015 - International Conference on Nanoimprint and Nanoprint Technologies ↻

Title	NNT 2015 - International Conference on Nanoimprint and Nanoprint Technologies
When	Do, 22. Oktober 2015 - Sa, 24. Oktober 2015

Description

NNT 2015 - International Conference on Nanoimprint and Nanoprint Technologies

NNT 2015, the 14th International Conference on Nanoimprint and Nanoprint Technologies, will take place Oct. 22-24, 2015, in Napa, CA, USA. NNT is the **world's leading symposium** on nanoimprint and nanoprint. In addition to paper presentations and vendor exhibits on the most recent technology advances, NNT 2015 will celebrate the **20th Anniversary of Nanoimprint**.

Topics:

- Nanoimprint
- Nanoprint
- Soft-lithography
- Dip-pen lithography
- Tooling
- Materials
- Mask
- Processes
- Applications in electronics, optoelectronics, solar cells, displays, LEDs, magnetics, materials, self-assembly, chemistry, biology, and pharmaceuticals
