## Description

NNT 2018 - 17th International Conference on Nanoimprint and Nanoprint Technologies

In September 2018, the 17th International Conference on Nanoimprint and Nanoprint Technologies, will be held at INL – International Iberian Nanotechnology Laboratory, in Braga – Portugal. This is a great opportunity to reinforce links within this international community and to enjoy Portugal, its hospitality, culture, people and the Atlantic coast climate.

You will find more details regarding this event by visiting organizators website:
