Title	AMA Conferences SENSOR and IRS²
When	Di, 19. Mai 2015 - Do, 21. Mai 2015

Description

AMA Conferences SENSOR and IRS²

from 19 - 21 May 2015

AMA Conferences - AuditoriumThe biannual AMA Conferences links innovators from research and development, from science and industry. The AMA Conferences SENSOR and IRS² are regarded as networking platforms, targeting an international community of professionals and providing insights in the latest research results from diverse disciplines.

The parallel SENSOR+TEST trade fair with more than 500 exhibitors is considered to be the most important international information platform for sensor, measuring, and testing technology, providing the conference participants with opportunities to participate in the innovation dialog beyond the AMA conferences.
