NNT 2016

Event - NNT 2016 ↻

Title	NNT 2016
When	Mo, 26. September 2016 - Mi, 28. September 2016

Description

15th NNT 2016 - The 15th International Conference on Nanoimprint & Nanoprint Technology

The 15th International Conference on Nanoimprint & Nanoprint Technology takes place on September 26-28, 2016

INL - International Iberian Nanotechnology Laboratory Braga, Portugal

The International Conference on Nanoimprint and Nanoprint Technologies is the world's leading symposium on nanoimprint and nanoprint.

NNT 2016 will focus the contributed part of the program in three main domains:

1. Stamps, materials and processes for nanofabrication
2. Applications and
3. Emerging processes.

Stamps, materials and processes for nanofabrication
•Stamps
•Materials
•Processes
•Pattern transfer

Applications
•Packaging
•Electronics
•Optics
•Drug delivery
•Life sciences

Emerging Processes
•Additive manufacturing
•Hybrid processes
•Injection molding
